

To the Members of the Départ de Sentier Association

Brugg, 10 May 2023

Auditor's Report

The Association Départ de Sentier was founded in early 2022 and registered in the Commercial Register of the Canton of Aargau on 23 August 2022. The first annual accounts will be prepared for the year ending 31 December 2023.

The Board of Directors is responsible for the management of the Association, while my task is to audit and assess the financial records.

As the appointed auditor, I have reviewed the documents submitted to me, such as bank statements, invoices and receipts from 4 March 2022 – 31 January 2023, and checked them for accuracy.

During my audit, I did not find any evidence that would lead me to conclude that the management of the Association did not comply with the law and the relevant regulations or that financial transactions had been carried out that did not serve the purpose of the Association.

In my opinion, the financial records are in order and I recommend to the Board of Directors to prepare the first annual accounts for the year ending 31 December 2023.
