Subject: financial audit report

The association Départ de Sentier was founded in 2022 and registered in the Commercial Register of the Canton of Aargau on August 23rd 2022.

The Board of Directors of the association is responsible for the functioning of the association, and I volunteered as an association member outside this Board to audit and evaluate the financial results of the association over the period spanning from January 1st to December 31, 2025.

I evaluated the documents submitted to me: bank statements, invoices issued, expense receipts, grant contracts, salary pay slips.

I did not find in this audit any evidence which would lead me to believe that the operation of the association would not respect the laws, or that the financial transactions would have served interests other than those of the association.

This leads me to declare that the financial accounts of the association are in order, and I recommend to the office to prepare and close the balance sheet for the year 2025.

Subject: Financial Review Statement for the Financial Year 2024

The association Départ de Sentier (DdS) was founded in early 2022 and was registered in the Commercial Register of the Canton of Aargau on 23 August 2022.

The Board of Directors is responsible for the management of the association and for maintaining proper financial records. At the request of the association, I independently reviewed and assessed the financial records of DdS for the financial year 2024.

My review covered the financial records for the period from 1 January to 31 December 2024, including the calculations used to prepare the financial summary for the year 2024. The recorded transactions were supported by the following bank statements:

- the 2024 bank statement for the DdS EUR account held with Wise; and
- the 2024 bank statement for the DdS CHF account held with Raiffeisen.

Based on my review, I did not identify any evidence indicating that the management of the association failed to comply with applicable laws or relevant regulations, or that the financial transactions carried out were inconsistent with the purpose of the association.

In my opinion, based on the records and supporting documentation made available to me, the financial records are in order.

I therefore recommend that the Board of Directors approve and formally close the financial statements for the financial year 2024.

Kind regards,
Aleksandra Kim

AGENDA ITEM 7

Discharge of the Board

Would you confirm that the board has done everything right during the past fiscal years?

- 2025 
- 2024: No discharged voted on, accounts were approved at extraordinary GA 2025 
- 2023: Only the three board members Chris, Tomás, Karin were present - we couldn’t discharge ourselves 

Outlook, budget & governance

AGENDA ITEM 8

Outlook 2026/2027

Where the association is heading

- GreenGrocer scales up: it is the project intended to fund the director post, and 2026–27 are the heavier delivery years.
- GreenGrocer 24-month interim financial report will trigger the second instalment (CHF 177,500).
- ADEME project closes around April 2027, with a French expert-compatible audit.
- Continued events: No Autumn School 2026; Spring School 2027; Brightcon 2027

AGENDA ITEM 10

Amendment of the statutes

AGENDA ITEM 10

Statutes — what changes

Overview of the proposed amendments
The German text is the legally binding text!

- Article 8 (General Assembly): proxy voting, majority for statute amendments, budget flexibility.
- Article 9 (Board): delegation of operational management; recusal duty on self-interest.
- Article 10 (Audit): 1–2 auditors; fix EN/DE inconsistency.
- Article 11 (Authority to sign): correct EN mismatch with the official DE version.
- Article 13 (Dissolution): align with the new Art. 8 majority rule and correct language.
- Full current-vs-proposed text (DE & EN) is in the circulated document.

STATUTES · ARTICLE 8

Article 8 — General Assembly

Three changes

- New: proxy voting
  - Introduce the ability for a member to be represented by proxy.
- Clarification change: majority of those entitled to vote *who are present or represented*
- New: budget flexibility
  - Adjust how the annual budget is approved.

8. The General Assembly

The highest body of the association is the General Assembly. An ordinary General Assembly is held annually.

Members are invited to the General Assembly 21 days in advance in writing, stating the agenda items. Invitations by e-mail are valid.

Proposals to the General Assembly must be submitted in writing to the Board of Directors no later than 7 days before the General Assembly.

The Board of Directors or 20 percent of the members may at any time request the convening of an extraordinary General Assembly, stating the purpose of the meeting. The meeting must be held no later than 6 weeks after receipt of the request.

The General Assembly is the supreme body of the Association. It has the following inalienable tasks and competences:

- Approval of the minutes of the last General Assembly
- Approval of the annual report of the Board
- Acceptance of the auditor's report and approval of the annual accounts
- Discharge of the Board of Directors
- Election of the Board of Directors as well as the Auditors
- Determination of the membership fees
- Approval of the annual budget
- Adoption of resolutions on the program of activities
- Adoption of resolutions on motions of the Board of Directors and the members
- Amendment of the statutes
- Decision on exclusion of members.
- Decision-making on the dissolution of the Association and the use of the liquidation proceeds

Any General Assembly duly convened shall constitute a quorum regardless of the number of members present.

Resolutions are passed by an absolute majority of the members.

Amendments to the statutes require the approval of a 2/3 majority of those entitled to vote.

General Assembly minutes shall be recorded and made publicly available.

The General Assembly can be held physically or online.

Article 8 — General Assembly

New - Proxy voting

Article	Change (short form)	Current wording	Proposed wording	Reason
Art. 8	Introduce proxy voting (max. 2 proxies per person)	*(not present)*	Any member may be represented at the General Assembly by another member by written proxy. The proxy must be submitted to the Board before voting or elections begins. No member may hold more than two (2) proxies. Represented members are deemed present for the purposes of quorum and majority calculations.	Increases legitimacy and accessibility for a globally dispersed membership; increased number of votes, representativeness; acknowledges time zones, reduces risk of small present minority changing statutes. Legally unproblematic: the ZGB does not exclude proxy voting, provided the Statutes regulate it.
		(nicht vorhanden)	**Jedes Mitglied kann sich an der Mitgliederversammlung durch ein anderes Mitglied schriftlich vertreten lassen. Die Vollmacht ist dem Vorstand vor Beginn der Abstimmungen und Wahlen vorzulegen. Ein Mitglied darf höchstens zwei (2) Vollmachten auf sich vereinigen. Vertretene Mitglieder gelten für die Berechnung von Quorum und Mehrheiten als anwesend.**	

Article 8 — General Assembly

Clarification: votes

Article	Change (short form)	Current wording	Proposed wording	Reason
Art. 8	Vote majorities now based on “present or represented” instead of all those entitled to vote (all members)	**Amendments to the statutes** require the approval of a 2/3 majority of those entitled to vote.	Amendments to the statutes require the approval of a 2/3 majority of those entitled to vote ***who are present or represented.***	2/3 quorum not explicitly pointing to what is 100%. Explicitly writes the practice already applied on 16.10.2025 (based on common practice in Switzerland), instead of having to reinterpret it at every future vote.
		Statutenänderungen benötigen die Zustimmung einer 2/3–Mehrheit der Stimmberechtigten.	Statutenänderungen benötigen die Zustimmung einer 2/3–Mehrheit der ***anwesenden oder vertretenen*** Stimmberechtigten.	
		Resolutions are passed by an absolute majority of the members.	Resolutions are passed by an absolute majority of the members ***present or represented.***	
		Die Mitglieder fassen Beschlüsse mit dem absoluten Mehr.	Die Mitglieder fassen Beschlüsse mit dem absoluten Mehr der a***nwesenden oder vertretenen*** Stimmberechtigten.	

Article 8 — General Assembly

Addition to Art. 8 as clarification with regards to “approval of the annual budget”.

Article	Change (short form)	Current wording	Proposed wording	Reason
Art. 8	Budget flexibility for third-party funds outside the GA-approved budget	(Approval of the annual budget)	The Board may accept and use, outside the approved annual budget, earmarked third-party funds received after the annual budget has been approved, provided their purpose is compatible with the purpose of the Association. The Board shall inform the General Assembly thereof at the next ordinary General Assembly.	Project proposal inflows are unpredictable; otherwise a (extraordinary) GA would constantly be needed
		(Genehmigung des Jahresbudgets)	Der Vorstand kann zweckgebundene Mittel Dritter, die nach der Genehmigung des Jahresbudgets zufliessen, ausserhalb dieses Budgets annehmen und für den vereinbarten Zweck verwenden, soweit dieser mit dem Vereinszweck vereinbar ist. Der Vorstand informiert die Mitgliederversammlung an der nächsten ordentlichen Versammlung darüber.	

STATUTES · ARTICLE 9

Article 9 — Board

Two changes

- Change — delegation clause
  - The Board may delegate operational management to a management function or staff — reflecting the new Director role.
- New — recusal duty
  - A board member must recuse themselves in cases of self-interest / conflict of interest.

9. The Board of Directors

The Board of Directors consists of between 3 and 7 persons.

The term of office is 3 years. Re-election is possible.

The board manages the current business and represents the association externally.

It issues regulations.

It can appoint working groups.

It can employ or commission persons for the achievement of the association's goals against appropriate compensation.

The Board of Directors has all competences which are not assigned to another body by law or according to these Articles of Association.

The board meets as often as business requires. Any member of the Board may request a meeting, stating the reasons.

Unless a member of the Board of Directors requests oral deliberation, resolutions may be passed by circular letter (including e-mail).

The Board of Directors is in principle active on an honorary basis; it is entitled to reimbursement of effective expenses.

Article 9 — Board

The board doesn’t conduct day-to-day business anymore - the employees do that

Article	Change (short form)	Current wording	Proposed wording	Reason
Art. 9	Delegation clause: the Board may delegate operational management to a management function/staff	The Board of Directors conducts the day-to-day business and represents the Association externally.	The Board of Directors conducts the day-to-day business and represents the Association externally. **It may delegate operational management, in whole or in part, to a management function or to individual employees; oversight and responsibility towards the General Assembly remain with the Board.**	Since 2025, DdS has hired a Director and staff. “the Board conducts day-to-day business” is outdated
		Der Vorstand führt die laufenden Geschäfte und vertritt den Verein nach aussen.	Der Vorstand führt die laufenden Geschäfte und vertritt den Verein nach aussen. **Er kann die operative Geschäftsführung ganz oder teilweise an eine Geschäftsführung oder an einzelne Angestellte delegieren; Aufsicht und Verantwortung gegenüber der Mitgliederversammlung verbleiben beim Vorstand.**	

Article 9 — Board

Introduce recusal duty officially - confirm lived practice

Article	Change (short form)	Current wording	Proposed wording	Reason
Art. 9	Recusal duty in case of self-interest (contracts, employment, fees)	*(not present)*	Board members shall recuse themselves from deliberation and decision-making on matters in which they, persons or organisations close to them have a personal or financial interest (in particular the award of contracts, employment relationships, or fees). Any recusal shall be recorded in the minutes.	Growing grant volume / subcontracting questions (e.g. Cauldron) and board members wearing two hats call for a clear rule.
		(nicht vorhanden)	Vorstandsmitglieder treten bei der Beratung und Beschlussfassung über Geschäfte, an denen sie selbst, ihnen nahestehende Personen oder Organisationen ein eigenes wirtschaftliches oder persönliches Interesse haben (namentlich Auftragsvergaben, Anstellungsverhältnisse oder Honorare), in den Ausstand. Der Ausstand ist im Protokoll festzuhalten.	

Articles 10, 11 & 13

Corrections and alignment

- Article 10 (Audit)
  - 1–2 auditors are elected; fix the EN/DE inconsistency in the text.
- Article 11 (Authority to sign)
  - Correct the EN mismatch with the official DE version.
- Article 13 (Dissolution)
  - Introduce the Art. 8 change if accepted, and correct the language.

10. The Auditors

The General Assembly elects an auditor who checks the accounts and carries out a spot check at least once a year.

The auditors report and propose to the Board of Directors for the attention of the General Assembly.

The term of office is two years. Re-election is possible.

11. Authority to sign

At least two members of the Board of Directors must sign any legal instrument on behalf of the Association.

12. Liability

Only the Association's assets are liable for the debts of the Association. Members of the Association bear no personal liability.

13. Dissolution of the Association

The dissolution of the Association can be decided by a resolution of an ordinary or extraordinary General Assembly and can be dissolved with a majority of 80 percent of the votes of the members present.

In the event of dissolution of the Association, the assets of the Association shall be distributed to a tax-exempt organization pursuing the same or a similar purpose. The distribution of the Association's assets among the members is excluded.

Article 10 — Auditors

Confirm that 1-2 auditors can be elected, correct english wording

Article	Change (short form)	Current wording	Proposed wording	Reason
Art. 10	1–2 auditors instead of a rigid “one”; fixes DE/EN inconsistency	The General Assembly elects **an auditor** who checks the accounts and carries out a spot check at least once a year. The **auditors** report and propose to the Board of Directors for the attention of the General Assembly.	The General Assembly elects one or two persons as auditors, who check the accounts. *Rest of article unchanged.*	Statute text was internally inconsistent (singular/plural). Delete the obligation to do a spot check. Introduce possibility to elect two auditors instead of only one.
		Die Mitgliederversammlung wählt einen Rechnungsrevisor, welcher die Buchführung kontrolliert und mindestens einmal jährlich eine Stichkontrolle durchführt.	Die Mitgliederversammlung wählt eine oder zwei Personen als Revisionsstelle, welche die Buchführung kontrollieren.	

Article 11 — Authority to sign

Correct legally not binding wording

Article	Change (short form)	Current wording	Proposed wording	Reason
Art.11	Correcting DE-EN mismatch	**At least** two members of the Board of Directors must sign any legal instrument on behalf of the Association.	**The Board of Directors regulates signing authority, which is by collective signature of two.**	
		No change, binding version:	Der Vorstand regelt die Zeichnungsberechtigung zu zweien.	

Article 13 — Dissolution of the association

Correct legally not binding wording

Article	Change (short form)	Current wording	Proposed wording	Reason
Art.13	Adding Art. 8 change (present + represented) and correcting DE wording	The dissolution of the Association can be decided by a resolution of an ordinary or extraordinary General Assembly and can be dissolved with a majority of 80 percent of the votes of the members present.	The dissolution of the Association may be resolved by an ordinary or extraordinary General Assembly with a majority of 80 percent of those entitled to vote who are present or represented.	Art.13
		Die Auflösung des Vereins kann durch Beschluss einer ordentlichen oder ausserordentlichen Mitgliederversammlung beschlossen und mit dem Stimmenmehr von 80 Prozent **der anwesenden Mitglieder *aufgelöst* werden.**	Die Auflösung des Vereins kann von einer ordentlichen oder ausserordentlichen Mitgliederversammlung **mit einer Mehrheit von 80 Prozent der anwesenden oder vertretenen Stimmberechtigten beschlossen werden.**
